Summer Youth Camp

"Preparing Our Children the Spiritual Way with Academic Emphasis"

Mission Statement

Our mission is to make a difference in the lives of young people challenged by a society that promotes immoral and unethical behavior.

Our Purpose

To make a difference by example and by helping young people in a spiritual way with academic emphasis. Also, to help young people develop the type of character and make good choices that will bring about good consequences for their present and future success.

How will the funds be used?

- (1) The fund will be used to foster the development of a strong spiritual camp with an academic emphasis.
- (2) To offset the cost of providing a moral and quality camp.
- (3) To provide scholarships for youth when declared necessary by the Board of Directors.

We solicit your help with ideas and support in any way that you feel will benefit our organization in helping these young people. We welcome volunteers for the foundation activities, committees, community projects and camp functions.
